Guess who called me yesterday apologized for goin'  
away  
And said, I'm still the one he's dreamin' of?  
And did he ever sound so low when he said I need you  
so  
He wants to come back home in the name of love

Guess who said that he was wrong and even cried on  
the telephone  
Said he'd be as true as stars above?  
Guess who said he would do right if I'd let him come  
home tonight  
He wants to come back home in the name of love?  
Guess who's gonna let him come back to her life once  
more?  
Guess you're right it's me and I'll be waitin' at the door?  
No more sadness only smiles he'll be here in a little  
while  
Tonight he's comin' home in the name of love

No more sadness only smiles he'll be here in a little  
while

Tonight he's comin' home in the name of love  
Tonight he's comin' home in the name of love  
Guess who called me yesterday apologized for goin'  
away  
But tonight he's comin' home in the name of love
