I've got that old time religion, got that old time religion
And that is why I'm satisfied

Now you ask me if I'm happy, do I have peace within
Do I worry bout tomorrow when I reach my journey's
end
Well, I'm satisfied with my Jesus, when He knocks I let
him in
He'll go with me through the valley, for I know He is my
friend

Satisfied, satisfied, no troubles can ever get me down
When my eyes are closed in death, with my Jesus I'll be
at rest
Then you'll know I'm satisfied
Now if my friends, they all forsake me and they turn
me from their door
If they sow no seeds of kindness, make the thorns in
my path grow
Well, it won't matter over yonder when I reach the other
side
I'm a gonna sit down by my Jesus, satisfied, satisfied

I'm satisfied, satisfied, no troubles can ever get me
down
When my eyes are closed in death, with my Jesus I'll be
at rest
Then you'll know I'm satisfied

I've got that old time religion got that old time religion
And that is why I'm satisfied
