Little girls and little boys
Dream of worlds full of toys
This time of the year
When Christmas is near

And evergreens are snowy white
Sleigh bells ring through the night
This time of the year
When Christmas is near

And somewhere near a steeple
People kneel and pray

And choirs sing carols
Of Christmas Day

Santa Claus is on his way
With loads of joy on his sleigh
This time of the year
When Christmas is near

When Christmas is near

Oh, Santa Claus is on his way
With loads of joy on his sleigh
This time of the year
When Christmas is near
