(Spoken)

Hello?

You don't know who this is but...

The reason I'm calling you is because...

I was going through my man's pockets this morning...

And I just happened to find your name and number...

So woman to woman, I don't think it's wrong to call

Now, I don't know how you're gonna take this...

You might even hang up the phone...

But, you see, it really doesn't make any difference...

And it's only fair that I let you know...

That "that man" you've been seeing...

He's mine...and I love him...

So woman to woman I think you'll understand

(Song)

Woman to woman

If you've ever been in love

Then you know how I feel

And woman to woman

Now if you were in my shoes

Wouldn't you have done the same thing too?

Bridge:

Woman to woman

I've just got to make you see

Woman to woman

That you can't take him from me

Woman to woman

I just can't step aside

And let you take what is rightfully mine

Chorus:

Woman to woman

Right or wrong

I ain't gonna let you break up my happy home

I hope you understand...

I love that man...

And he's mine

Repeat Chorus:

Woman to woman

If you've ever been in love

Then you know how I feel

Woman to woman
Now if you were in my shoes
Wouldn't you have done the same thing too?
Woman to woman
I've just can't step aside
And let you take what's rightfully mine
