'Hello?'

'Hello, honey? It's me and this song's for you...'

Hey stranger

Tell me, it's really you?

I can smell your perfume

From far across the room.

Hey gorgeous

Can I talk to you?

Everybody knows that

This song is made for you.

RIT: Hey girl

I'm gonna show you so you know who I am.

Give me a chance to bring us back.

I know it's hard to do,

I'll make it real for you.

It's true.

Hey lover

How can I find you?

I'm writing you this love song

'Cause I really fell for you.

RIT x3: Hey girl

I'm gonna show you so you know who I am.

Give me a chance to bring us back.

I know it's hard to do,

I'll make it real for you.

It's true.

'Hey! Hey! Hello! My sister is not here.'

'Oh what! '

Laughs

'Shut up fu****' a****, it's not a joke! '
