You got your feelings. I got my feelings too. Forget  
your feelings. Now lets go to the zoo.

Cause I'm an animal! (x4)

I got my band tee on. I got my skinny jeans on. And I'm  
ready to roll. Let's hit up the show. (x2)

Cause I'm an animal. You know the way I roll! Now drop  
it to the floor! And shake that ass some more! Girls you  
done did it! You drop the ceiling! Girl you done did it!  
You drop the ceiling!!!

Cause you're an animal! (x4)

I got my band tee on. I got my skinny jeans on. And I'm  
ready to roll. Let's hit up the show. (x2)

Girl you get naked! We're getting naked! So go get  
naked! I'm getting naked!

Naked! Naked! We're getting naked. (x4)

I got my band tee on. I got my skinny jeans on. And I'm  
ready to roll. Let's hit up the show. (x2)
