Ahh ah ah [x4]

Oh baby girl you got me so mixed up inside
I don't know if I can't handle it...
So baby tell me what I gotta do to make it right...
I promise I'm not scandalous

Yeah!

You're just a booty call
(Booty call)
Will you be my booty call?
(Booty call)
Making you my booty call
Now drop those panties to the floor [x2]

Nasty girls know me like what
Call your girl to give me some
Drop it girl go take it back
I'll take you to the candy shack
Like jolly ranchers sugar daddys
Chocolate covered booty panties
Lots of women in my cadi
It's gonna get a little nasty

E-40!
Ohh!
Lets go start another party
Smoke a little chronic and get naughty
Pop a few drinks and get sloppy
Drunk, crunk
Girl you got a big ol donk (donk)
Look at the junk in your trunk (trunk)
I like your lady lumps (lumps)
Looking in those pants
I know a couple dudes who give you all they money if
you dance

Get nasty girl get nasty [x3]
And shake it like some chocolate milk

Yeah!
You're just a booty call
(Booty call)
Will you be my booty call?
(Booty call)
Making you my booty call
Now drop those panties to the floor [x2]

Oh baby girl I see your photos on MySpace
You look so beautiful...
So what I gotta do to take you to my place?
So you can be my booty girl.

Get nasty girl get nasty [x3]
And shake it like some chocolate milk

Yeah!

You're just a booty call
(Booty call)
Will you be my booty call?
(Booty call)
Making you my booty call
Now drop those panties to the floor [x2]

Now drop it girl go shake that ass
I wanna see you make it clap
Like clap clap clap clap clap
Oh yeah she knows the way I want it
Gucci boots with applebottoms
Look at you, you want my body
Let's go start another party!

Get nasty girl get nasty [x3]
And shake it like some chocolate milk

Yeah!

You're just a booty call
(Booty call)
Will you be my booty call?
(Booty call)
Making you my booty call
Now drop those panties to the floor [x2]

You can be my booty call!
