Get up! Get Up off your feet girl, shake your money  
maker  
Shake it like an 8ball, do the salt shaker  
Drop it to the flo, go fuck Jared Baker  
Make the beat cut, like a mutha fuckin razor  
(Daddy X)  
Ahh shit I got that heat. that'll make you drop quick.  
Drop kick, all these haters that wanna talk shit.  
So hop on your knees bitch, suck on my dick  
Girl you're wasting my time like  
Tick tock, tick!  
(Daddy X)  
Ahh shit I got that heat that'll make you move it.  
Now get up off your feet  
Lets make that music.  
Do the booty clap girl  
Do be useless.  
Spank that ass like I am abusive.  
(Daddy x)  
Get Up Off your feet Get, Get Up off your feet(8x)  
I love the way you move it girl  
Go shake that thang  
Put your money in the air  
Lets make it rain! (x4)  
Get Up Off your feet Get, Get Up off your feet(8x)
