She's starin'  
And the mood is right.  
Music blarin' and the ladies are lookin' nice.  
I'm lookin' good and you know it too.  
So tell me why should I,  
Fuck with you?

[Chorus] x2  
She's always callin,  
Blowin' up my instant messenger.  
It's getting hot in here,  
I'm turning off the temperature.

[Chorus]

This is true.  
Roses smell like roo roo!  
You say you love me,  
I bet that aint true.  
But I will never  
Ever, ever, (x29)  
FUCK YOU!

I don't wanna have sex with whore.  
(But she looks so sexy the way she moves.)  
I don't wanna have sex any more.  
(Quit bein' a fucking prude.)

(But dude, this bitch is hot! )
