I've been writing this letter,
For a couple of months now,
And right now,
What I wanna do,
Is I wanna express,
This letter,
To you,
And it goes like this:

Your eyes
They flow
From all the pain I caused
I lost my cause
I only broke your heart
Alone I cry
I tried so hard to break you
I love you
I hate you
Why wont you let me go?

I, I feel the raindrops fall
These tears wont take you away,
I'm sorry

I, I hear the thunder scream
It's screaming out for me,
I'm sorry

The rain it drips the rain drops drip down (x8)

The rain drops down

Your eyes
They flow
From all the pain I caused
I lost my cause
I only broke your heart
Alone I cry
I tried so hard to break you
I love you
I hate you

Why wont you let me go?

The rain will follow me, I feel like I can't breath, I'm
sorry
I fell asleep again, when will this tempest end, I'm sorry

The rain it drips the rain drops drip down (x8)

The rain drops down

Your eyes
They flow
From all the pain I caused
I lost my cause
I only broke your heart
Alone I cry
I tried so hard to break you
I love you
I hate you
Why wont you let me go?

I, I dreamt that you were here, lying next to me,
I'm sorry

I, I finally realised that I fucked up your life,
So I'm sorry

The rain it drips the rain drops drip down (x8)

The rain drops down

Your eyes
They flow
From all the pain I caused
I lost my cause
I only broke your heart
Alone I cry
I tried so hard to break you
I love you
I hate you
Why wont you let me go?

I'd die tonight
If only you were here
I'd tell you I'm sorry
I'd fucking disapear

Betrayed,
You hate me,
You look so pretty now
Without me

Alone
The tears come crashing down.
