"Jock Pit"

Kicking the shit out of everyone you see
We're not about what you see on TV
Senseless violence to you is true
To all that we just say "fuck you"

JOCK PIT
You don't understand our scene
JOCK PIT
Plastic in the machine
JOCK PIT

We don't want you around
JOCK PIT
Hope you get knocked to the ground

Running around like a bunch of goons
You all grew up with silver spoons
Your idols get millions just to play with balls
Hope you lose your drunken brawl
