You're so pretty (hah)

And you ain't got no game (x3)

So quit playing

And you ain't got no game (x3)

So quit playing

And who you playing, you ain't gonna pull her

You think you're like me, but I am so much cooler

I got that face these girls will go insane for

You think you're like me, but you ain't got no game, boy

Step back you ain't got no game

I look so hot when I'm flossing my chain

This ice is insane, this ice is insane

Yeah when I walk up in the place

I shine my watch up in ya' face

I might be ugly but I'm rich.

SO YOU AINT GOT NO GAME!

And you aint got no game, GAME! (x3)

SO QUIT PLAYING!

And you aint got no game, GAME! (x2)

And you aint got no game

SO QUIT PLAYING!

And who you playing, you ain't gonna pull her

You think you're like me, but I am so much cooler

I got that face these girls will go insane for

You think you're like me, but you ain't got no game, boy

SO MOVE MOVE!

IV FEEL LIKE LOOSE LOOSE!

I GOT THEM BONES BONES!

AND I am READY TO GET CRAZY!

And when I walk up in the club

You show me no love

And if you think I'm ugly

I will fucking kill you

And you aint got no game, GAME! (x3)  
SO QUIT PLAYING!  
And you aint got no game, GAME! (x2)  
And you aint got no game  
SO QUIT PLAYING!

And who you playing, you ain't gonna pull her  
You think you're like me, but I am so much cooler  
I got that face these girls will go insane for  
You think you're like me, but you ain't got no game, boy

If you ain't got no game (x3)  
So quit playing  
If you ain't got no game (x3)  
So quit playing
