I'm feeling frisky tonight, girl you can frisk me tonight
I'm feeling tipsy alright, let's get this party started
Hand me my drink and the pipe, girl what you thinking
tonight
Let's drink some whiskey on ice, we'll get belligerent

Let's get retarded, we'll throw a party
Drink some bacardi, and blaze some chronic (x2)

Let's keep it gangster baby, let's drink some gin and
juice
You know you want me baby, I got them sexy moves
I drive those bitches crazy, cause I'm a sexy dude
But don't expect I'm having sex unless you shave your
pubes

Shake, jump, move your hips
I'm feeling so drunk 'bout to lose my grip
Get crunk, get loose girl shake your tits
Drop your ass to the floor and make it twitch
Like Oh My God girl make it twitch
I'm drunk in the mosh pit with naked chicks
Like fuck you bitch, you make me sick
I'll make you lick my magic stick you can lick my lolly
pop
My lolly pop my lala lolly pop
Now make it drop, to drunk to stop excuse me if I touch
your crotch
Cause I'm drunk right now and my dick is bored, cause
I can't meet chicks at the liquor store

Let's get retarded, we'll throw a party
Drink some bacardi, and blaze some chronic (x2)

Let's keep it gangster baby, let's drink some gin and
juice
You know you want me baby, I got them sexy moves
I drive those bitches crazy, cause I'm a sexy dude
But don't expect I'm having sex unless you shave your
pubes

Smoke on the hydro, pass me the 40, my ice is so cold
This club is freezing baby

Oh yeah it's cold inside, these bitches want some
Brokencyde
Lets go inside I'll go inside, I'll fuck you well your
Boyfriend cries, I'm drunk and high, about to lose my
grip
Cause these bitches want my cookie crisp
So don't blame me, blame the alcohol
I'm in a bathroom stall Bitch I got blue balls.

Let's get retarded, we'll throw a party
Drink some bacardi, and blaze some chronic (x2)

Let's keep it gangster baby, let's drink some gin and
juice
You know you want me baby, I got them sexy moves
I drive those bitches crazy, cause I'm a sexy dude
But don't expect I'm having sex unless you shave your
pubes (x2)
