One, two. Alright.
Like this

Chorus:
One! two! We're coming for you.
Three! four! Lock your door.
Five! six! Suck on my dick.
Brokencyde will never die! (x2)

Verse 1:
And I, And I, And I, And I
Can feel the needle break
Up inside of my veins
They try to tell me I'm insane, make me that way
So come and take me away, from this monster that
you've made of me.
I feel like dying, erasing all of these memories

Bridge:
I'm trapped inside this cage tonight!
You torture my brain with blades and knives!
I need you to try to save my life!
Before I go insane! (x2)

Chorus:
One! two! We're coming for you.
Three! four! Lock your door.
Five! six! Suck on my dick.
Brokencyde Will never die! (x2)

Verse 2:
7 days my schizophrenia breaks
My brain cavity waves, distorted, decayed!
These faces of insane originated this pain,
And invented these upbended ways to break me!
Intoxicated, I'm faded inside my dreams.
Motivated on defeating these haters in everything.
It's the only thing that keeps me alive.
It keeps me away from all of your mother fucking lies!

Bridge:

I'm trapped inside this cage tonight!
You torture my brain with blades and knives!
I need you to try to save my life!
Before I go insane! (x2)

Chorus:
One! two! we're coming for you.
Three! four! lock your door.
Five! six! suck on my dick.
Brokencyde will never die! (x2)

Verse 3:
I feel my nails rip my veins; I feel I've gone insane.
I never wanted to hurt you, you made me be this way
So now I know I'm crazy, I feel there's no more pain.
These voices call out to me, they're screaming out my name.

Chorus:
One! two! we're coming for you.
Three! four! lock your door.
Five! six! suck on my dick.
Brokencyde will never die! (x2)
