Over the horizon
Sky former blue
The sun sets in
Like me to you

Reflections on the water
Just me in you
The sun sets in
Like me and you

Isn't life fine?
Isn't it superb?
Feeling more than infinite
Without any work

Cause the sky is red
Like my love so true
Cause the water is blue
Like memories of you

So come back
Come back to me
The sun sets in
Why can't you see

Pick up the past
Begin to see
The sun set in
Why can't we be

Down the road to the left
Take the turn to the bay
Where I'll still be
I'll still be the same

Cause the sky is red
Like my love so true
Cause the water is blue
Like memories of you

Sun sets in

On the water
Where we used to stay
On the bay
Sunset Marina
At the end of a day

Over the horizon
Sun sets in
Blue skies forever
Where we can be together

But the sky is red
Like my love so true
Cause the water is blue
Like memories of you

You'll come back
We should be lovers
As the sun sets in
Forget about the others

You'll realize
Forgive under cover
When the sun sets in
And our feelings hover

And our love is red
Like the skies we knew
And our love is blue
Like the water is too
And our love ain't too big
To sail this rig
When the sun
If the sun
As the sun
When the sun
Sets
In

(Acapella)
You'll come back
We should be lovers
As the sun sets in
Forget about the others

(Music)
You'll realize
Forgive under cover
When the sun sets in
And our feelings hover
