Everything you gave to me.
Take away this pain that you gave to me
I assume these scars remain with me
But till she pull me back and made me bleed.
Transforming light to dark
I'm a rip this motherfucking life apart
Slice my heart and stab my eyes
Shoot me in the face tonight.
So take me away
I can't take my eyes off of you.
So take me away
I can't take my eyes off of you.
And everyday I'm like this
You always leave me like this
But I don't wanna die yet
So take me away

So just kill me girl
You take my life away
My heart is bleeding, believing
You turn my night to day
So take this pain away
And just shoot me
Cohs I feel so much better when
I was losing

So just kill me girl,
Take my life away
My heart is bleeding, believing
You turn my night to day
So take this pain away
Just shoot me
Cohs I felt so much better
When I was losing

Another day has passed me by
As I am holding you (I'm holding you)
I feel the pressure release from your soul
Before you do?
Cohs I can't take this more feelings
Will not let go of you

And don't you lie cohs you killed me
Inside you know it's true
And I don't wanna die
Don't die
And I don't wanna die
Don't die

And everyday I'm like this
You always leave me like this
But I don't wanna die yet
So take me away

So just kill me girl,
Take my life away
My heart is bleeding, believing
You turn my night to day
So take this pain away (away)
Just shoot me
Cohs I felt so much better
When I was losing

So just kill me girl,
Take my life away
My heart is bleeding, believing
You turn my night to day
So take this pain away (away)
Just shoot me
Cohs I felt so much better
When I was losing

I felt so much better
I felt so much better
Kill me inside
Kill me tonight
Kill me inside
Kill me tonight
Kill me inside
Kill me tonight

And everyday I'm like this
You always leave me like this
But I don't wanna die yet
So take me away

So just kill me girl,
Take my life away
My heart is bleeding, believing
You turn my night to day
So take this pain away (away)
And just shoot me
Cohs I felt so much better

When I was losing

So just kill me girl,
Take my life away
My heart is bleeding, believing
You turn my night to day
So take this pain away (away)
Just shoot me
Cohs I felt so much better
When I was losing
