Teach me how to scream

Teach me how to scream

Now scream my name while I spit the flow

Big tits in the air at every show

I got two bad bitches from Tokyo

And they ride my dick like a rodeo

I get crunk all night girl don't ya know!

Get crunk all night and smoke patron

I got two bad bitches from Tokyo.

Ya gonna ride my dick like a rodeo!

Ohh! now rock the bitch!

I smoke like a motherfuckin pack of ciggs

I don't play games I rock the bed

Got your girl backstage and we smash this games

People scream my name, like it's bout to get wild!

People scream my name, like it's going out of style!
