If truth is beauty
Could you lie?
I'm not so sure
If you can't lie
Then you must be beauty
And If you do not see it
You're fooling yourself

You're like a life
That'll never end
You're like the sky
Where I haven't been
You're heaven to me
Why can't you see?
I'm always yours

So we know you're truth
And you can't lie
What does that mean?
If you're my truth
You must be beauty
And if you don't accept it
You'll send me through hell

They don't tell you
That there's a girl
Who knocks you down so far
But still can make you fly
Higher than you've ever been

You're like a life
That'll never end
You're like the sky
Where I haven't been
You're heaven to me
Why can't you see?
I'm always yours

I'm not the only one
You're the only one
I'm the lonely one

You're my only sun

So if truth is beauty
And beauty is truth
Then you can't lie
Can you guess why?
Try and guess why...
