You're all over me  
Everything I see  
Everything I do  
All of it's for you

You've gotten through  
Deeper than I knew  
I can't see  
Anymore of the old me

And I like it  
I like it  
And I want more of it

I've got a new drug  
A new problem on my head  
But if my life's  
Spinin' outta control  
I'm gonna let this roll  
Cause the worst of you  
Beats the best of me  
And that's how it oughta be

I can't stay awake  
No more medicine to take  
I can't get behind the wheel  
But you did make me feel

I've got a new drug  
A new problem on my head  
But if my life's  
Spinin' outta control  
I'm gonna let this roll  
Cause the worst of you  
Beats the best of me  
And that's how it oughta be

You've gotten through  
Deeper than I knew  
I can't see  
Anymore of the old me

And I like it  
I need it  
And I want more of it
