Op Ivy stopped growin
The Ramones lost the touch
The Sex Pistols are impotent
Face facts
Punk is dead

Pac bit the bullet
Dre don't operate no more
Snoop called off the dogs
Face Facts
The gangstas took
A slug to the head

Where did the music go?
Where's the integrity?
When did my guitar
Cease to be
The soul of me?
Where'd the music go?

Oops its crap again
Little bitch in a bottle
She didn't know it was fish?
Face Facts
Pop sucks ass

Good Charlotte, yeah right
What Glory did they find?
And Cars ain't the best place for Confession
Face Facts
Pop-punk and emo will pass

Where did sincerity go?
Where's the view?
When did my words
Cease to mean
Anything at you?
Where'd the music go?

Hypocritical
I'll be forgotten by next year

But Right now I have the mic
Right now, I'm right here
And I'm willing to say
What would get anyone else
Thrown away

Where did the music go?
Where's the integrity?
When did my guitar
Cease to be
The soul of me?
Where'd the music go?
