Dear you,
here's a letter from me
A letter of intent
Read on, you'll see
All my time spent
Bringing you to me
All my dreams bent
Like wood in the gray sea

Dear you,
I loved you fair
And I guess that's true
I loved your poise, your glare
I loved you
And I guess it's still there
Just forget it, please do

Dear You,
I'm turning around
I'm walking right by
And you won't hear another sound
Unless you want a try
Endless seas to bound
Endless days in the sky

Sincerely, the love of your life
Sincerely, the man of your dreams
Sincerely, the time you said no
With all the love in the world,
It's time for me to go

Oh, and don't forget
I'm here for you
If you need help
And I know you do
I'll run to you when
You ask me too
Cause I still love you
Straight and true

Sincerely, the love of your life

Sincerely, the man of your dreams
Sincerely, the time you said no
With all the love in the world,
It's time for me to go

Time for me to go
Time for me to go
Now I'm glad you know
That I'll be here for you
When you want me to
But it's time for me to go
