Run victoria run  
Come away with me  
We'll have some fun

Run victoria run  
I met you on  
Page one-twenty-one

Run victoria run  
My day won't begin  
And won't end  
You are my sun

All I can offer  
Is my sweet love  
Your picture is my life  
And life begins on page 121  
Let's run  
Let's run to page 121

Shine your heaven  
Shine your sun  
You're so lovely  
On page 121

Run victoria run  
Come away with me  
We'll have some fun

Run victoria run  
Run victoria run  
Page 121  
Page 121  
Live our lives in the sun  
Page 121

Run victoria run  
Even though you don't know  
Who I am  
You say you're lookin' for somebody to love  
And that's who I am

So if you want to watch the sun  
You can find me on page 131

Run victoria run  
Come away with me  
We'll have some fun
