Hey, how was your day?
Cheer up honey
Things don't always go your way
Hey, you know I care
Cheer up darling
I'm always there

It's nice to know you're
Listening
It's nice to know
You're on the other end
It's nice to know
You're my friend

Eh, I'm not doing to bad
See here honey
Thing aren't always so sad
Yeah, I know it's rough
You know what baby?
That's just love

It's nice to know you're
Listening
It's nice to know
You're on the other end
It's nice to know
You're my friend

Hey, I'm sorry I'm not here
Can't talk to ya baby
Leave me a message, make it clear
No, I wanted to talk this through
I love our time, honey
Trust me, I'm laughing with you

It's nice to know you're
Listening
It's nice to know
You're on the other end
It's nice to know
You're my friend
