You're all over me
Everything I see
Everything I do
All of it's for you

You've gotten through
Deeper than I knew
I can't see
Anymore of the old me

And I like it
I like it
And I want more of it

I've got a new drug
A new problem on my head
But if my life's
Spinin' outta control
I'm gonna let this roll
Cause the worst of you
Beats the best of me
And that's how it oughta be

I can't stay awake
No more medicine to take
I can't get behind the wheel
But you did make me feel

I've got a new drug
A new problem on my head
But if my life's
Spinin' outta control
I'm gonna let this roll
Cause the worst of you
Beats the best of me
And that's how it oughta be

You've gotten through
Deeper than I knew
I can't see
Anymore of the old me

And I like it
I need it
And I want more of it
