On a hotel room  
A glass of wine and the memories of you  
I turn on the lights down  
And wish I could hold you tonight

Like a fallen leaf that hits the ground (uohoh)  
I was lost in our love, couldn't find  
Like a hurricane that turns around (uohoh)  
Like a sun of thunder in the pouring rain  
Like a mother without her son  
Like a fallen angel

An endless dream  
Your face is haunting me every night (mmm)  
Remember a kiss  
The day before we fight

Like a fallen leaf that hits the ground (uohoh)  
I was lost in our love, couldn't find  
Like a hurricane that turns around (uohoh)  
Like a sun of thunder in the pouring rain  
Like a father without his son  
Like a fallen angel

Like a fallen leaf that hits the ground (uohoh)  
I was lost in our love, couldn't find  
Ooohohh

Like a hurricane that turns around (uohoh)  
Like a sun of thunder in the pouring rain  
Like a man without his bride  
Like a fallen angel

Ooh  
Like a fallen angel
