When stars go blue
As simple as it is true
Stars go blue, for you

You let me down
As simple as it is true
Stars go blue, cause of you

Let it rain down
River leads to you
Let the rain drown
All suspicious thoughts

Let it rain

When stars go blue
As simple as it is true
Stars go blue, for you

You let me down,
As simple as it's true
Stars go blue, cause of you

Let it rain down
River leads to you
Let the rain drown
All suspicious thoughts

Let it rain

You haven't seen the best of me,
You never will
Why did you complain about
The things we've done
We could have had it all
But we couldn't stop the fall

Let it rain down
River leads to you
Let the rain drown
All suspicious thoughts

Let it rain down
River leads to you
Let the rain drown
All suspicious thoughts
