Time is tight
My heart I burning like a lantern light
Lost at sea
The water's rising and the hours fly

Some day
I thought love would come my way
Someone
Would pick me up and ease the pain
You came (my way)
I've got to hurry can't be late
Cause I know
Some day is today

All my life
I have been dreaming of eternal love
Every night
I have been wishing to the stars above

Some day
I thought love would come my way
Someone
Would pick me up and ease the pain
You came (my way)
I've got to hurry can't be late
Cause I know
Some day is today

Time has come
This is my chance and I won't let it go
All along
I have been wondering but now I know

Some day
I thought love would come my way
Someone
Would pick me up and I'll be saved
You came (my way)
I've got to hurry can't be late
Cause I know
Some day is today
