Cause there's these boys at the top of my road, yeah  
Car washing is their game, amongst other things  
Cause there's a rumour that's spread about town, now  
That they can get you anything, if you know what I  
mean

So I thought I'd take my chances at the carwash  
See if I could get anything more special than a wax job  
I said, "What's the damage, is that five quid, mate?"  
He said "No, sorry son, it's six quid for estates"

I only came, I only came to get my car washed  
I wasn't planning on getting friendly with the sniffer  
dogs  
Well saying officer no comment, where's my phonecall  
But I'm leaving with so much more, than I had  
bargained for

Cause there's a copper at the top of our road, yeah  
And nicking people is his game, amongst other things  
Cause he don't like the look of our carwashing boys,  
though  
Cause they don't look right - too gangsta, too many  
toys  
He said "I'm not trying to say these aren't law abiding  
citizens...  
That they don't pay their council tax or take their  
vitamins  
Not that there's anything wrong with washing cars for a  
living  
It's just there's something a little shady-shady about  
these boys"

I only came, I only came to get my car washed  
I wasn't planning on getting friendly with the sniffer  
dogs  
Well saying officer no comment, where's my phonecall  
But I'm leaving with so much more, than what I'd  
bargained for

Psalt, psalt, psalt  
A little pinch of psalt, psalt, psalt

Just a little pinch of psalt, psalt, psalt  
Just a little bit of psalt

I'm not making claims on police brutality  
Or saying the boys in blue have ever harmed me  
physically  
I'm just wondering what my mates with darker skin like  
to  
Wear gold jewellery, baggy jeans and tims and they  
Fall into certain categories because they look  
suspicious  
Allowing them to be strip searched as the boys they  
wiggle  
To pull em over in their cars, or even worse  
All because he looks like he might just nick a purse

(Psalt, psalt, psalt  
A little pinch of psalt, psalt, psalt)

I only came, I only came to get my car washed  
I wasn't planning on getting friendly with the sniffer  
dogs  
Well saying officer no comment, where's my phonecall  
But I'm leaving with so much more, than what I'd  
bargained for
