Cause all I want is a
A chicken roll that's it
He smiles but shakes his head
And yes I read his lips
So let's move on please
To another shop
It's late for a week night
Now it's way gone two o'clock

Lions on the prowl
A prey we need to eat
Dazzled by the lights
The pride move up the High Street
To find not one but four
Where we can sink our teeth
And out of four there's two
Open just to feed us three

Looks like this one's closed
Yeah, this one's closed

Let's move on now
Let's move on
Let's move on now
Cause this one's closed
Let's move on, I said
Please let's move on
Let's move on now
Cause this one's closed

So now here's one open
But there's one next door
Here's the one we want
Cause Jay's been in here before
"Three chicken rolls
And a diet coke please"
He takes the chicken out
And wraps it up with skill and ease

Cause I didn't think that I was
All that pissed
But in my change

Five pounds he's gone and missed
Excuse me mate
But this change it just ain't right
You're taking advantage
Of an intoxicated man late at night

Let's move on now
Let's move on
Let's move on now
Cause this one's closed
Let's move on, I said
Please let's move on
Let's move on now
Cause this one's closed

Let's move on now
Let's move on
Let's move on now
Cause this one's closed
Let's move on, I said
Please let's move on
Let's move on now
Cause this one's closed
