Mmmmhhh

A promise never kept by the one's you loved
You were hurt by the one's you love
But, I'm still here

A letter hidden feelings you dare not send
You should know that you can depend
I'll stay right here
I swear your not alone

And, so what if they don't approve
Love isn't governed by laws
I will fight them all for you
Until they listen to me

Because
There's no difference between us
We're one in the same
There's no difference between us
We play soul same game

The street lamp
Shedding light on your crying heart
Every night tears you soul apart
And makes you scared

And knowing
Telling you you can do no more
I can tell you one thing for sure
I'll stay right here
I swear your not alone

And, so what if they don't approve
Give them eyes to see
I will tell them all for you
Until they listen to me

Because
There's no difference between us
We're one in the same
There's no difference between us

We play soul same game

Ooohhh
Ooohhh
Ooohhh
Ohhhwooo

Ooohhh
Ohhhwooo
Ohhhwooo
Ohhhwooo

Ohhhwooo
Ohhhwooo
Oh, no no difference
Ohhhwooo
