Climb on
Climb on to your throne
Worthless
Worthless piece of stone
Save us
Save us from our own

I feel the time slip away
I hear it call
I feel the night
Start to change
It calls me home

Heroes
Not one left to praise
Justice
Just a word we say
Preacher
No souls left to save

This is the blood of my
Sister
This is the blood of my
Son
This is a prayer for a
Miracle today
This is the blood of my
Sister
This is the blood of my
Son
Someone should say
No miracles... today

Hey
You
What are you gonna do
After the first time
He takes away
Your heart
Hey
Fool
Time stops for no one

And this no one has a
Few plans of his own
Hey
You
What are you gonna do
After the first time
He takes away
Your heart
You can't make it stop
You can't make it stop
