Well now, it takes more than a robin to make the winter
go

And it takes two lips of fire to melt away the snow
Well, it takes two hearts a-cookin' to make a fire grow
And baby, you've got what it takes

You know it takes a lot of kissin'
(Tell me about it)
To make a romance sweet
Ooh, it takes a lot of lovin' to make my life complete
Mmm, and it takes a lot of woman to knock me off my
feet
And baby, you've got what it takes

I said, mmm, mmm, mmm, uh huh, mmm, mmm,
mmm
Ah, ah, hah mmm, mmm
You know you've got just what it takes

Because it takes more than an effort to stay away from
you
It'd take more than a lifetime to prove that I'll be true
But it takes somebody special to make me say, "I do"
(Oh, yeah)
And baby, you've got what it takes

Ah, ah, hah mmm, mmm, uh huh, mmm, mmm, mmm,
mmm
You know you've got just what it takes

Because it takes, oh yeah
(You're back in my spot again, honey)
(I like your spot)
To stay away from you
(I can't stay away from you)

It takes more than a lifetime, daddy
To prove that I'll be true
(Now it's you)
But it takes somebody special
(Like me, baby)
To make me say, "I do"

And baby, you've got what it takes

(C'mon, let's play it again, huh?)

(C'mon, let's do it one more time, all right?)

And baby, you've got what it takes

(One more time, Brook)

(Ah-ha, okay, ah-ha)

And baby, you've got what it takes
