### "Girls Get Ya Boys"

I know you like that, yeah  
You Know you want it  
come and get it

#### *[VERSE 1:]*

Can I get what I want, when I really want it  
Take It Down Pull you Up, When ya seeing somethin  
I gotta see you if youre really being serious  
Cause if you are, gotta know if ya feelin it

You're the type of guy that I can see realisticly  
but baby you can move, better when you dance with me  
I need my guys and my girls here to take you on  
If you can do it, better get it on and move it

#### *[BRIDGE:]*

Now girls keep shaking your body, so naughty  
With the Boys, feelin so rowdy, so rowdy, rowdy

#### *[CHORUS:]*

Now Boys Get Ur Girls, Girls get with ya Boys

Girls Get Ur Boys, Boys get with ya Girls  
You Know You Want It, Just Come and get it

Baby I like it when I can take control of you  
So give another baby, order what I wanna do  
If you like it I can push you down on the floor  
Take you on, I'll always leave you wanting more

I can show you things you never need to freak out  
I need my guys and my girls here to take you on  
If you can do it, then you better, better do it
