We're inches apart but are you miles away from getting  
what I want?

With so little time and all these feelings for you it's  
unexplainable

Don't you feel like having me  
Take on you a ride  
Doing this of synchronize, body touching mine  
Arch your back let it flow  
Take me where I wanna go  
Just take your time and put your lips on mine

(Oh oh) I think I want you now  
(oh yeah) I think im goin crazy  
(oh oh) gotta have you now  
(oh yeah) I want you so bad lately  
I want you so bad lately

Pushin the limit and were breakin the tension  
that used to hold us back  
It's not overrated it's what we created  
You're an aphrosisiac

Dont' you feel like having me  
Take you on a ride  
Doing this of synchronize, body touching mine  
Arch your back and let it flow  
Take me where i wanna go  
Just take your time and put you lips on mine

(oh oh) I think I want you now  
(oh yeah) I think I'm goin crazy  
(oh oh) Gotta have you now  
(oh yeah) I want you so bad lately

I don't wanna push the subject baby  
But I just want your lovin  
This harmony we cans set it free  
All we need is you and me  
I want you so bad, so bad

(oh oh) I think I want you now

(oh yeah) I think I'm goin crazy  
(oh oh) Gotta have you now  
(oh yeah) I want you so bad lately
