What I gotta do to get it through to you
That I'm the only one who can love you like I do
Seems like I try to get away
Trying almost every day
To find a way to you
But you walk away
You turn your face
It's like when I'm there
You don't know my name
And Iâ€™m kind of scared
Cause if I try again
Iâ€™m afraid that if I do
Iâ€™ll never get a chance

[Chorus]

If I come to close would you pull away?
Will you dance too far?
Would you turn away?
If I choose to stay, if I want to go
Would it break your heart?
Would you even know?

Cause it's
Itâ€™s just too much
Too much for me to even take
Itâ€™s not enough
Enough for my heart anyway
Itâ€™s just as tough
Itâ€™s just as tough for me tonight
And Iâ€™ll be the one that got away [x2]

I want to satisfy both of your sides
Show you the truth
When you're living a lie
Before you were hurt
I put my life on the line

Thatâ€™s how much you mean to me

I may be crazy, a little confused
But all that really means is Iâ€™m crazy for you
Baby you want me, you need me

You really gotta have me
You know Iâ€™m waiting here
Ima always make you happy

[Chorus]

If I come to close would you pull away?
Will you dance too far?
Would you turn away?
If I choose to stay if I want to go
Would it break your heart?
Would you even know?

Cause it's
Itâ€™s just too much
Too much for me to even take
Itâ€™s not enough
Enough for my heart anyway
Itâ€™s just as tough
Itâ€™s just as tough for me tonight
And Iâ€™ll be the one that got away [x2]

Cause it's
Itâ€™s just too much
Too much for me to even take
Itâ€™s not enough
Enough for my heart anyway
Itâ€™s just as tough
Itâ€™s just as tough for me tonight
And Iâ€™ll be the one that got away
[repeat until it fades...]
