... Is coming over me  
But baby you got hold me  
... it's like

How the hell I've been good for you,  
Who... give what you need, everything you need  
Now... 'cause I,..  
You know I'm telling the truth,..

How... for you,  
Now you want to say,..  
Don't be,..  
I can't pretend that you...

[Chorus:]  
I'm gonna get you out of my life  
... I'm gonna be alright  
Don't you... I'll be O.K.  
My life will better out without you anyway

Can't believe I walked a way,  
So everything you knew... me,  
We... so blind  
Why I couldn't see the signs ohh  
I've been started to be in the circumstance,  
Want to be... like it was,  
But it's no,..  
I'm so glad I'm...

[Chorus:]  
I'm gonna get you out of my life  
Don't you... I'm gonna be alright  
... I'll be O.K.  
My life will better out without you anyway

I'm...

[Chorus:]  
I'm gonna get you out of my life  
Don't you... I'm gonna be alright  
Don't... I'll be O.K.  
My life will better out without you anyway

I can't get out of my mind, right  
But I'm gonna have to let you go when the time is right  
But I... deal with...

More the fancy cause,.. right (everything you need)  
Yeah, you have the best of me  
So come and...  
... bless of me without, yeah  
And I... what you're gonna be back  
... the door, pack your bags, give the keys back  
... without your... (everything you need)  
I used to think about you all night  
When... tight  
... I'm gonna be allright  
Can you go...

[Chorus]
