(Verse 1: Freddie Foxxx)

I'm from a world where a man of my complexion makes
no laws
and we struggle like madmen hustling forth
top position my hip-hop style crosses every boundery
now who sound like me?
while like I'm Bumpy Knuck Bill Freddie Medicin
smacking up fake ass rappers that's soft like the
hansons
I've been ripping six fingers you was dancing
when niggers had high top fame and kid and played
I was pimp some
move back bumpy's got this groove back
wait I must correct myself B cause bumpy never loose
that
Pete Rock blesses me with beats like that Halloween
treats
and I spit it for this ragged ass streets
so it talked too cold how am I presented
better than me I'm God-sent cause how you'll keep the
god bent
I'm a hip-hop creator blacker than DARTH Vader
I'll be Bumpy Knuckles now I'll be Bumpy Knuckles later
Come On!

(Chorus)

It's the international illest MC
Bumpy Knuckles baby and the Muro MC
with Pete Rock chopping the beats cross the fata
from New York to Japan Hip-Hop creators

(Chorus)

(Verse 3: Freddie Foxxx)

Feel it

I smile like the truth, I smile like the youth

when this song come out hot, I smile in the woof

I smile as a mack that flashes and gone truth

and I smile when the pros getting head on the roof

niggers that know my stylo

know that I be low

sell obscene that's how I creep the cream

know what I mean?

I've been in the game for (?)

And Japan count me in like the American dream

(Muro)

(Chorus)
