They can't stop us
They can't stop

This is my redemption
Nothing left but to forgive you
After all the shit that's happend
My heart is broken my head is confused
But I will, I will keep marchin on
A phoenix rising up to heaven
So I guess I'll see you around
It's the beging a redemption

So god can you hear me
All my people can you hear me
All my haters can you hear me
You can't stop me oh no no no
Nothing can stop me
So don't let it stop you
Negativity and hate have tried to take me down
But I rise above

Like a phoenix rising
I will rise above
Like a poor man crying
I'm gonna change my luck
No one No one can tell you how to live your life
Baby and no one no one could ever phantom all the striff
Yea oh

So god can you hear me
Mom and daddy can you hear me
All my lovers can you hear me
They could'ntstop me oh no no no
Oh no no no no
Oh no no no no
They can't stop me
They can't stop you
No hey

So god can you hear me
All my people can you hear me
All my haters can you hear me
You can't stop me oh no no no

There's a light at the end of that tunnle
With good vibrations
The happyness, success
That's what's headed for you

You can't stop me now St-st-st-stop me now St-st-st-stop me now You can't stop me now St-st-st-stop me now St-st-st-stop me now Yea
