Briscoooooooooo!
Brooke Hogan!
The hatersssssssss!
You don't know.

(Chorus)
You're tearing up my heart
Breaking down my sugar walls, tell me what you think
about us
Wasn't really trying to fall in love, until I loved your
touch
I'm beginning to love, to love, to love
I'm beginning to love, to love

(Brooke)
I use to think guys like you were all the same
And that you only pursue for just one thing
But I saw that you wouldn't give up
You're starting to get under my skin
And I think you're gonna win, yeah
I normally get with guys with big egos
I think it's classy of you to let me know
I start to expect chivalry
But you're a different breed, I can see
And you're concurring me

(Chorus)
You're tearing up my heart
Breaking down my sugar walls, tell me what you think
about us
Wasn't really trying to fall in love, until I loved your
touch
I'm beginning to love, to love, to love
I'm beginning to love, to love

(BRISCO RAP)

(Brooke)
All your video girls and fancy things
Can have whoever you want
But you picked me
I never saw it coming, I'm finally now beginning to love

Oh, I'm beginning to love

(Chorus)

You're tearing up my heart

Breaking down my sugar walls, tell me what you think
about us

Wasn't really trying to fall in love, until I loved your
touch

I'm beginning to love, to love, to love

I'm beginning to love, to love

You're tearing up my heart

Breaking down my sugar walls, tell me what you think
about us

Wasn't really trying to fall in love, until I loved your
touch

I'm beginning to love, to love, to love

I'm beginning to love, to love
