"Ur Not That Hot"

(feat. Stack\$ & Hollywood Jit)

"Umm, Hey Brooke, What's up, This is Hedi Montag,
I just wanna let you know, that I'm making a record
And your record better watch it's back
And if you think this Stack\$ is awesome,
Wait for Spencer Bye"

Twinkle twinkle little star
Grant This wish tonight
Please just tell me who you are
Cocky full of spike
Coast gaurds __
like the same
But I just wanna call you out
And make you say my name
Be cocky if you wanna but
We takin' all ya dollars
Now you got us
Ya sick watchin me
Poppin' on your tv screen
Morales couldnt get it
Got Your Hit, We just wit it
Soak it up, here to stay
Tv shows from here to spain

And there's nothing I can do
I just wanna rock it out
And we from the south
We've got to pump it out
And there's nothing I can say
I'm gonna go my way
So just watch me rock
Wishin you could get that hot
Wishin you could get that hot
Wishin you could get that hot

Sometimes Brooke, this shit just seems,
That everybody wants to discuse me
Chelsea Latley, got a thing for me
I don't know why that bitch hates me

Maybe it's the dreams that she has in bed
And she thinks that you have a master head
I'll admit my head got its own adress
But your not gonna mind and I'll bust yours in
Jit Jit, tell me where you at
In that back that bitch on my lap
Hollywoods got your back in fact
I've done six shots in spencer pratt picture that
What cha gonna do
I'm an icon and I dont like you
Sobe world is where we live fuck you
Its Judgment Day and never been cool like that

And there's nothing I can do
I just wanna rock it out
And we from the south
We've got to pump it out
And there's nothing I can say
I'm gonna go my way
Just watch me rock
Wishin you could get that hot
Wishin you could get that hot
Wishin you could get that hot

Uh ha uh ha
DJ aire baby
This Judgment Day
Mixtape to end all mixtapes
Brooke Hogan
Ahh man, before The REDMPTION
Comes the Judgment Day
Yo BROOKEEEE put it down all the way down babyyy
Come on

And there's nothing I can do
I just wanna rock it out
And we from the south
We've got to pump it out
And there's nothing I can say
I'm gonna go my way
Just watch me rock
Wishin you could get that hot
Wishin you could get that hot
Wishin you could get that hot
Wishin you could get that hot
Wishin you could get that hot

It's the second time coming
And my homegirl ain't playin
Straight smash hits
Straight hits

It's crazy
It's the redemption in stores
