People, people who need people
Aare the luckiest people in the world.
We're children, needing other children
And yet letting our grown-up pride
hide all the need inside,
Acting more like children than children.
Lovers are very special people,
They're the luckiest people in the world.
With one person, one very special person,
A feeling deep in your soul
Says you were half, now you're whole.
No more hunger and thirst,
But first, be a person who needs people.
People who need people are the luckiest people in the world.
