When its right
When its true
Believe it
When its real
It will always be
Tides turn with the moon
Ships rock for a reason
My compass guides me back to you

I was right,
I was wrong,
Naive but,
Seas have changed now the shore's in view.

Life is full of truth,
Loves not only mystery,
Remember me, I was a friend to you.

If your boat is empty,
I will bring you meaning.
If your sails have folded,
I will send the wind.
If you're tossed, confused,
Ill give you the answer.

Free it, see it, love me, let me in.

If you look, and you search,
Discover,

What you know what you always knew.
A voyage is a quest,
The storms we have created,
Just pebbles compared to power that lies in you

If your boat is empty,
I will bring you meaning.
If your sails have folded,
I will send the wind.
If you're tossed, confused,
Ill give you the answer.

Free it, see it, love me, let me in.

la di da di da

la di da di di di

If your boat is empty,
I will bring you meaning.
If your sails have folded,
I will send the wind.
If you're tossed, confused
Ill give u the answer.

Free it, See it, Love me, Let me in (2x)
