What's that playin' on the radio
Why do I start swayin' to and fro?
I have never heard that song before
But if I don't hear it anymore

It's still familiar to me
Sends a thrill right through me
'Cause those chords remind me
Of the night that I first fell in love to

Those magic changes
My heart arranges
A melody that's never the same
A melody that's calling your name

And begs you, please come back to me
Please return to me
Don't go away again
Oh, make them play again

The music I wanna hear
As once again
You whisper in my ear
Oh, my darlin', I love you

I'll be waitin' by the radio
You'll come back to me someday I know
Been so lonesome since your last goodbye
But I'm singin' as I cry

While the bass is sounding
And the drums are pounding
Beating of my broken heart
Will climb to first place on the charts

'C'-c-c', how much I want you
'A-a-a', a million ways
'F-f-f', fruitlessly in love with you
'G-g-g', I'm in a haze

I'll be waitin' by the radio
You'll come back to me someday I know

Been so lonesome since your last goodbye
But I'm singin' as I cry

While the bass is sounding
And the drums are pounding
The beating of my broken heart
Will climb to first place on the charts

Oh, my darlin', I want you
I need you, I love you forever
Hey, I want you, I need you
I love you forever and ever and ever
And ever, oh, forever and ever

The beating of my broken heart
Will climb to first place on the charts
Oh, my darlin', I want you
I need you, I love you forever

I want you, I need you
I love you forever and ever and ever
And ever, oh, forever and ever, my love
