You know what this is
Hey, oh
Yeah
Hey, hey
Play on playa
Hey

Playa where did you come from?
(Where you come from?)
Where did you get that body?
(That body)
Shawty you got ya girl gone
I wanna know where?
(Hey)

Playa where did you get that look?
Baby, you got beautiful
(Beautiful)
Written all over you
I wanna know where?

Sexy daddy can I kick it to you?
Shawty tell me ya name
(What's your name?)
Lookin' for a pretty thug
And I think I found one
(Hey)
(Yeah)

[Incomprehensible]
Shawty can I wear your chain?
Don't mean to be to forward
But you got me on one
Hey, hey

'Cause you are what I need
(Need)
And I got what you want
(You want)
Why don't you try it baby
(Babe)
I know you'll like it baby

Feels so good
(Yeah)
Oh, so good
(So good)
(Yeah)
Fits so perfect
Like I knew you would
(I knew you would c'mon)

Playa where you come from?
Where did you get that body?
(That body)
Shawty you got ya girl gone
(Gone)
I wanna know where?
(Hey)

Playa where did you get that look?
Baby, you got beautiful
(Beautiful)
Written all over you
(Yeah)
I wanna know where?
(Where?)

Now I ain't got the words
To describe how you feel
(No)
So baby just say the word
And we can get outta here
(C'mon with me baby)
(Hey)

'Cause I wanna love you so right
(So right)
Do it all night
(All night)
You are the truth
And I can't, can not deny it
(Hey, hey)

'Cause you are what I need
(I need)
And I've got what you want
(You want)
Why don't you try it baby
(Babe)
I know you'll like it baby
(C'mon)

Feels so good
(Yeah)
Oh, so good
(So good)
Fits so perfect
Like I knew you would
(Like I knew)

Playa where did you come from?
(Come from)
Where did you get that body?
(That body)
Shawty you got ya girl gone
(Oh, girl, baby)
I wanna know where?
(Hey)

Playa where did you get that look?
Baby, you got beautiful
Written all over you
(All over you, all over you)
I wanna know where

We like that playa's shinin' clean
Screwed up tape throwed off that lean
So where you at playa?
(Where you at?)
Where you at playa?
(Playa)

We like 'em rollin' swisha sweets
Like dem balla's makin' green
So where you at playa?
(Where you at?)
Where you at playa?
(Where you at?)
(Playa)

I was at a jam the other night
I was sippin' on three
And the feelin' was right

I met a little sumthin' tryna do a little sumthin'
Man shawty had her own look planned
She was pullin' on a nigga hand
Playin' with a nigga pants

It's all up on me
When we started to dance
First I just thought she was just playin' wit me
Until I heard all the stuff she was sayin' to me, like

Playa where you come from?
(Playa)
Where did you get that body?
(That body)
Shawty you got ya girl gone
(Gone)
I wanna know where?
(Hey)

Playa where did you get that look?
(That look)
Baby, you got beautiful
(Beautiful)
Written all over you
(All over you)
