Now it was done, yeah

You can roll up your contacts  
You can shrug up your shoulders  
You can swing ya weave from left to right  
'Til you reach Minnesota

We got the spot held down  
And baby girl you cant hold us  
I know you wish you were the shit  
That's why you wish you was on us

You think you cool man  
You and your crew man  
Well I got news man  
I ain't no illusion so

Whatcha lookin' at?  
Whatcha lookin' at?  
Whatcha lookin' at?  
You know you don't want none of this

Whatcha lookin' at?  
Whatcha lookin' at?  
Whatcha lookin' at?  
You know you don't want none of this

We in the ghetto slangin' yee-yo  
Somebody yelled here come the po-po  
Flash the dope we out the back do  
Back to jail I'll die before I go

Me and my crew sold up the block  
Betta watch out the block is hot!  
Me and my crew sold up the block  
Betta watch out the block is hot!  
Oh, oh, oh

Whatcha lookin' at?  
Whatcha lookin' at?

Whatcha lookin' at?

Whatcha lookin' at?  
Whatcha lookin' at?  
You know you don't want none of this

Whatcha lookin' at?  
Whatcha lookin' at?  
Whatcha lookin' at?  
You know you don't want none of this
