Save me  
Cause I'm sinking  
Almost driving me to drinking  
I know that you thinking  
That I'm gone

Drowning in the water  
Now it's getting harder  
To swim against the tide

You left me high and dry  
Now in tears like rain  
Falling from the sky  
Well please don't leave me here  
With your last goodbye

Baby  
Come to my rescue  
You're the only one who  
Can bring me back to life  
Oh Oh Oh Oh Oh  
Come to my rescue  
Hear my plead for you  
To keep me alive

I'm running out of breath  
Think I'm falling to the depts  
Of my broken heart  
Impatiently I'll wait  
Won't you resistate  
Well can't you see  
That I'm coming up hard

Well won't you just come to lend me a hand and some  
piece of mind  
You just can't leave me here  
Hanging on the lines

Baby  
Come to my rescue  
You're the only one who can bring me back to life  
Oh Oh Oh Oh Oh

Come to my rescue  
Hear my plead for you  
To keep me alive

Down down never so slow  
To the very bottom I go  
Down down into the dark blue  
Oh can't you hear me crying out for you

So baby now  
Come to my rescue  
You're the only one who  
Can bring me back to life  
Bring me back to life  
Come to my rescue  
Hear my plead for you  
To keep me alive  
Keep me alive  
Come to my rescue  
You're the only one who can bring me back to life  
Bring me back to life  
Come to my rescue  
Hear my plead for you  
To keep me alive  
Oh Oh  
To keep me alive  
To keep me alive  
To keep me alive  
Oh Oh Oh Oh Oh  
Oh Oh
