Every time that I look in the mirror
All these lines in my face gettin' clearer
The past is gone
It went by like dusk to dawn
Isn't that the way?
Everybody's got their dues in life to pay

I know nobody knows
Where it comes and where it goes
I know it's everybody's sin
You got to lose to know how to win

Half my life's in books' written pages
Lived and learned from fools and from sages
You know it's true
All the things
Come back to you

Sing with me
Sing for the year
Sing for the laughter n' sing for the tear
Sing with me
If it's just for today
Maybe tomorrow the good lord will take you away

Sing with me
Sing for the year
Sing for the laughter n' sing for the tear
Sing with me
If it's just for today
Maybe tomorrow the good lord will take you away

Dream on, dream on, dream on
Dream until your dream comes true
Dream on, dream on, dream on
And dream until your dream comes true
Dream on, dream on, dream on, dream on
Dream on, dream on, dream on

Sing with me
Sing for the year

Sing for the laughter n' sing for the tear
Sing with me
If it's just for today
Maybe tomorrow the good lord will take you away

Sing with me
Sing for the year
Sing for the laughter n' sing for the tear
Sing with me
If it's just for today
Maybe tomorrow the good lord will take you away
