Every breath you take  
And every move you make  
Every smile you fake  
Every claim you stake  
I'll be watching you  
And every single day  
Every word you say  
Every game you play  
Every step you take  
I'll be watching you

Oh can't you see  
You belong to me  
How my poor heart aches  
With every step you take

Every move you make

Every bond you break  
Every smile you fake  
Every vow you break  
I'll be watching you

Since you've gone  
I've been lost without a trace  
I dream at night I can only see your face  
I look around but it's you I can't replace  
I feel so cold and I long for your embrace  
I keep crying  
Baby baby  
Please
