Coloured leaves are falling off the trees
Dancing in the breeze and I
Write this song for you
So won't you come and

Follow me
I'll lead the way
Never lead you astray
Follow me
I'll lead you home
Never leave you alone in
Follow me

So many things I want say
But you runaway from me
And hide inside you fears
But I'm always right here

So follow me
I'll lead the way
Never lead you astray
Follow me
I'll lead you home
Never leave you alone
Follow me Just follow me

When it's dark
We'll find the light
When you're scared
I'll hold you tight
Everything will be alright
Trust in me
Trust in me

Follow me
I'll lead the way
Never lead you astray
Follow me
I'll lead you home
Never leave you alone
Alone
Follow me Just follow me

Just follow me
