Here comes the sun. Doo doo doo doo. Here comes the sun and I say. It's alright.

Little darling, it's been a long cold lonely winter. Little darling, it seems like years since it's been here.

Here comes the sun. Doo doo doo doo. Here comes the sun and I say. It's alright.

Little darling, the smiles returning to the faces. Little darling, it seems like years since it's been here.

Here comes the sun. Doo doo doo doo. Here comes the sun and I say. It's alright.

Sun sun sun, here it comes. Sun sun sun, here it comes.

Oh! Little darling, I feel that ices slowly melting. Little darling, it's seems like years since it's been clear.

Here comes the sun. Doo doo doo doo. Here comes the sun and I say. It's alright.

Here comes the sun. Here comes the sun. It's alright.
Yeah! It's alright. It's alright. Oooh! It's alright.
